

WE ARE

FA7+ *DO7+* *FA7+* *DO7+*
Sometimes I wonder what I'm doing here / I look for sunlight among clouds of fear
FA7+ *DO7+* *FA7+* *DO7+*
Feels like I'm living in a world of lies / While all around I hear the silent cries
LA- *SOL* *FA7+* *RE-7*
This lonely planet that we all live on / I believe it's meant to be a home

FA7+ *DO7+* *FA7+* *DO7+*
I look for love but I am so afraid / When people see me will they turn away?
FA7+ *DO7+* *FA7+* *DO7+*
I just can't fake it no I can't pretend / Should I give up the battle in the end?
LA- SOL *FA7+* *LA- SOL* *FA7+*
Or do I dare to step outside of me / Look in the eyes of every person I see
LA- SOL *FA7+* *RE-* *RE-7 SOL4*
And take their hand as they reach out to me / As they reach out to me

DO4 DO SOL **LA-** **LA-** **SOL**
We are called to be one / Born to shine and be free
 DO4 DO **SOL LA-** **LA- SOL**
And just like grace of sand / Held in time's own hand / We all play a part in history
DO4 DO SOL LA- LA- SOL

FA7+ *DO7+* *FA7+* *DO7+*
Under the surface we are all the same / All fragile children playing fragile games
FA7+ *DO7+* *FA7+* *DO7+*
All searching for the world we've always dreamed / We need each other like the air we breathe

LA- SOL *FA7+* *LA- SOL* *FA7+*
And so I'll dare to step outside of me / Look in the eyes of every person I see
LA- SOL *FA7+* *RE-* *RE-7 SOL4*
And take their hand as they reach out to me / As they reach out to me

DO4 DO SOL **LA-** **LA-** **SOL**
We are called to be one / Born to shine and be free
 DO4 DO **SOL LA-** **LA- SOL**
And just like grace of sand / Held in time's own hand / We all play a part in history

DO4 DO SOL **LA-** **LA-** **SOL**
We are called to be one / Born to shine and be free
 DO4 DO **SOL LA-** **LA- SOL**
And just like grace of sand / Held in time's own hand / We all play a part in history

DO **FA LA-** **LA-** **SOL**
We are grains of sand held in time's own hand / Waves upon the sea dancing endlessly
DO **FA LA-** **LA** **SOL** **FA DO SOL DO**
We are shining stars that is what we are / We're a galaxy we're a symphony
